

1st Providers Choice

Where Customers Service is our # 1 focus

THINK ABOUT ALL THE HOURS YOUR OFFICE SPENDS EVERY MONTH CREATING PATIENT STATEMENTS.

An exciting service is available to you through your **1st Providers Choice...Electronic Statement Service.**

This enables you to outsource your statements electronically, from processing to printing and mailing.

1st Providers Choice and Emdeon ExpressBill[®] are partnered to offer you real savings by eliminating costly billing supplies and postage, while reducing labor, capital investment for equipment, and maintenance costs. These savings can be redirected to other office needs and priorities!

BENEFITS YOUR ORGANIZATION CAN REALIZE:

More Efficient Time Management

- Frees office staff time to manage other critical tasks and patient care

Eliminate Preprinted Forms

- Reduces forms cost and forms inventory management

Enhance Statement Quality

- Informative statement data presentation reduces calls and prompts payments

Save Money

- Reduces processing costs and equipment maintenance

Improve Cash Flow

- Timely, consistent production and mailing of statements promotes payment
